REMIXER OF **AVICII**, **THOMAS GOLD**, **YVES LAROCK**, **RICHARD GREY** AND MANY MORE...

## **BIOGRAPHY** (English)

At the age of 15, **Nikolaz** (born Jens Nicholas Sidler, in Stockholm, Sweden,) took aim for the edm stars. As a young kid he supplied friends with electronic mixtapes and began DJing at partys. Today Nikolaz is a respected name at the international clubscene as a dj and a producer.

Between 2005 and 2010 Nikolaz made an important part of the well renowned **The Good Guys**, who delivered smashing remixes for some of the biggest names in the industry: **Avicii**, **Thomas Gold**, **Yves Larock**, **Ian Carey**, **Patric La Funk**, **Boogie Pimps** and **Tune Brothers** all got tracks rebuild from the hands of the dynamic swiss trio.

Since 2011 Nikolaz is focusing on his solo career, although he presented the new project **Nikolaz & Gant**, together with his fellow companion Christian Gantenbein. From the studio in Zürich they remixed tracks for **Peter Gelderblom**, **Richard Grey**, **Jason Chance**, **Gabi Newman**, **Max C** and, last but not the least, the swiss hitmaker **Remady**.

Combining remixing with own tracks, Nikolaz & Gant also hit the charts with „**How does it end**“, „**6AM**“ (Housesession Records), „**Superman**“ (Hotfingers, Tiger, Kontor Records) and „**Lift Me Up**“ (a collab with Remady & Manu-L).
